CLEANING AND MAINTENCE

- Turn off and unplug the groomer before cleaning.
- Clean the trimming heads by using the cleaning brush provided.
- Do not immerse the main unit in water.
- Do not use steel wire brush, abrasive cleaner or corrosive liquid (such as gasoline or acetone) or chemical to clean the product.
- Dry all parts thoroughly before reassembling or storing. Store the groomer in a cool, dry place.

SAFETY INSTRUCTIONS

- Always read the user manual thoroughly before using the product.
- Supervise the child to make sure they don't play with the appliance.
- Do not use the groomer on irritated or broken skin. Discontinue use if irritation occurs.
- To avoid electric shock or damage, do not use the groomer while it is plugged in and charging.
- Do not use the product for any other purposes.
- Before each use, inspect the groomer for any damage or wear. Do not use the device if it has a damaged blade, cord, or casing.
- Always attach the correct trimming head for the area you plan to groom. Using the wrong attachment may result in skin irritation or ineffective trimming.
- If the groomer becomes excessively hot during use, turn it off and allow it to cool down before continuing. Overheating can cause discomfort or burns.
- Be cautious when grooming around the face to avoid accidental contact with your eyes.
- Clean the groomer and its attachments after each use to prevent the build-up of hair and bacteria, which can lead to skin irritation or infection.
